LIEUTENANT GENERAL MATSUMURA, COMMANDER OF THE FIRST DIVISION, AND
HIS STAFF IN FRONT OF AN ENCAMPMENT HALF-WAY UP TAKASAKI HILL

COPYRIGHT.

Takasaki Hill lies to about 1100 metres south-west of Nienp'ankow, and was, upon being captured by the Fifteenth Infantry Regiment after a severe fighting, named Takasaki Hill after the city of Takasaki, the headquarters of that regiment in Japan. Photographed at 8.30 a.m., 4th September, 1904.

CONTENTS. PART VIII.

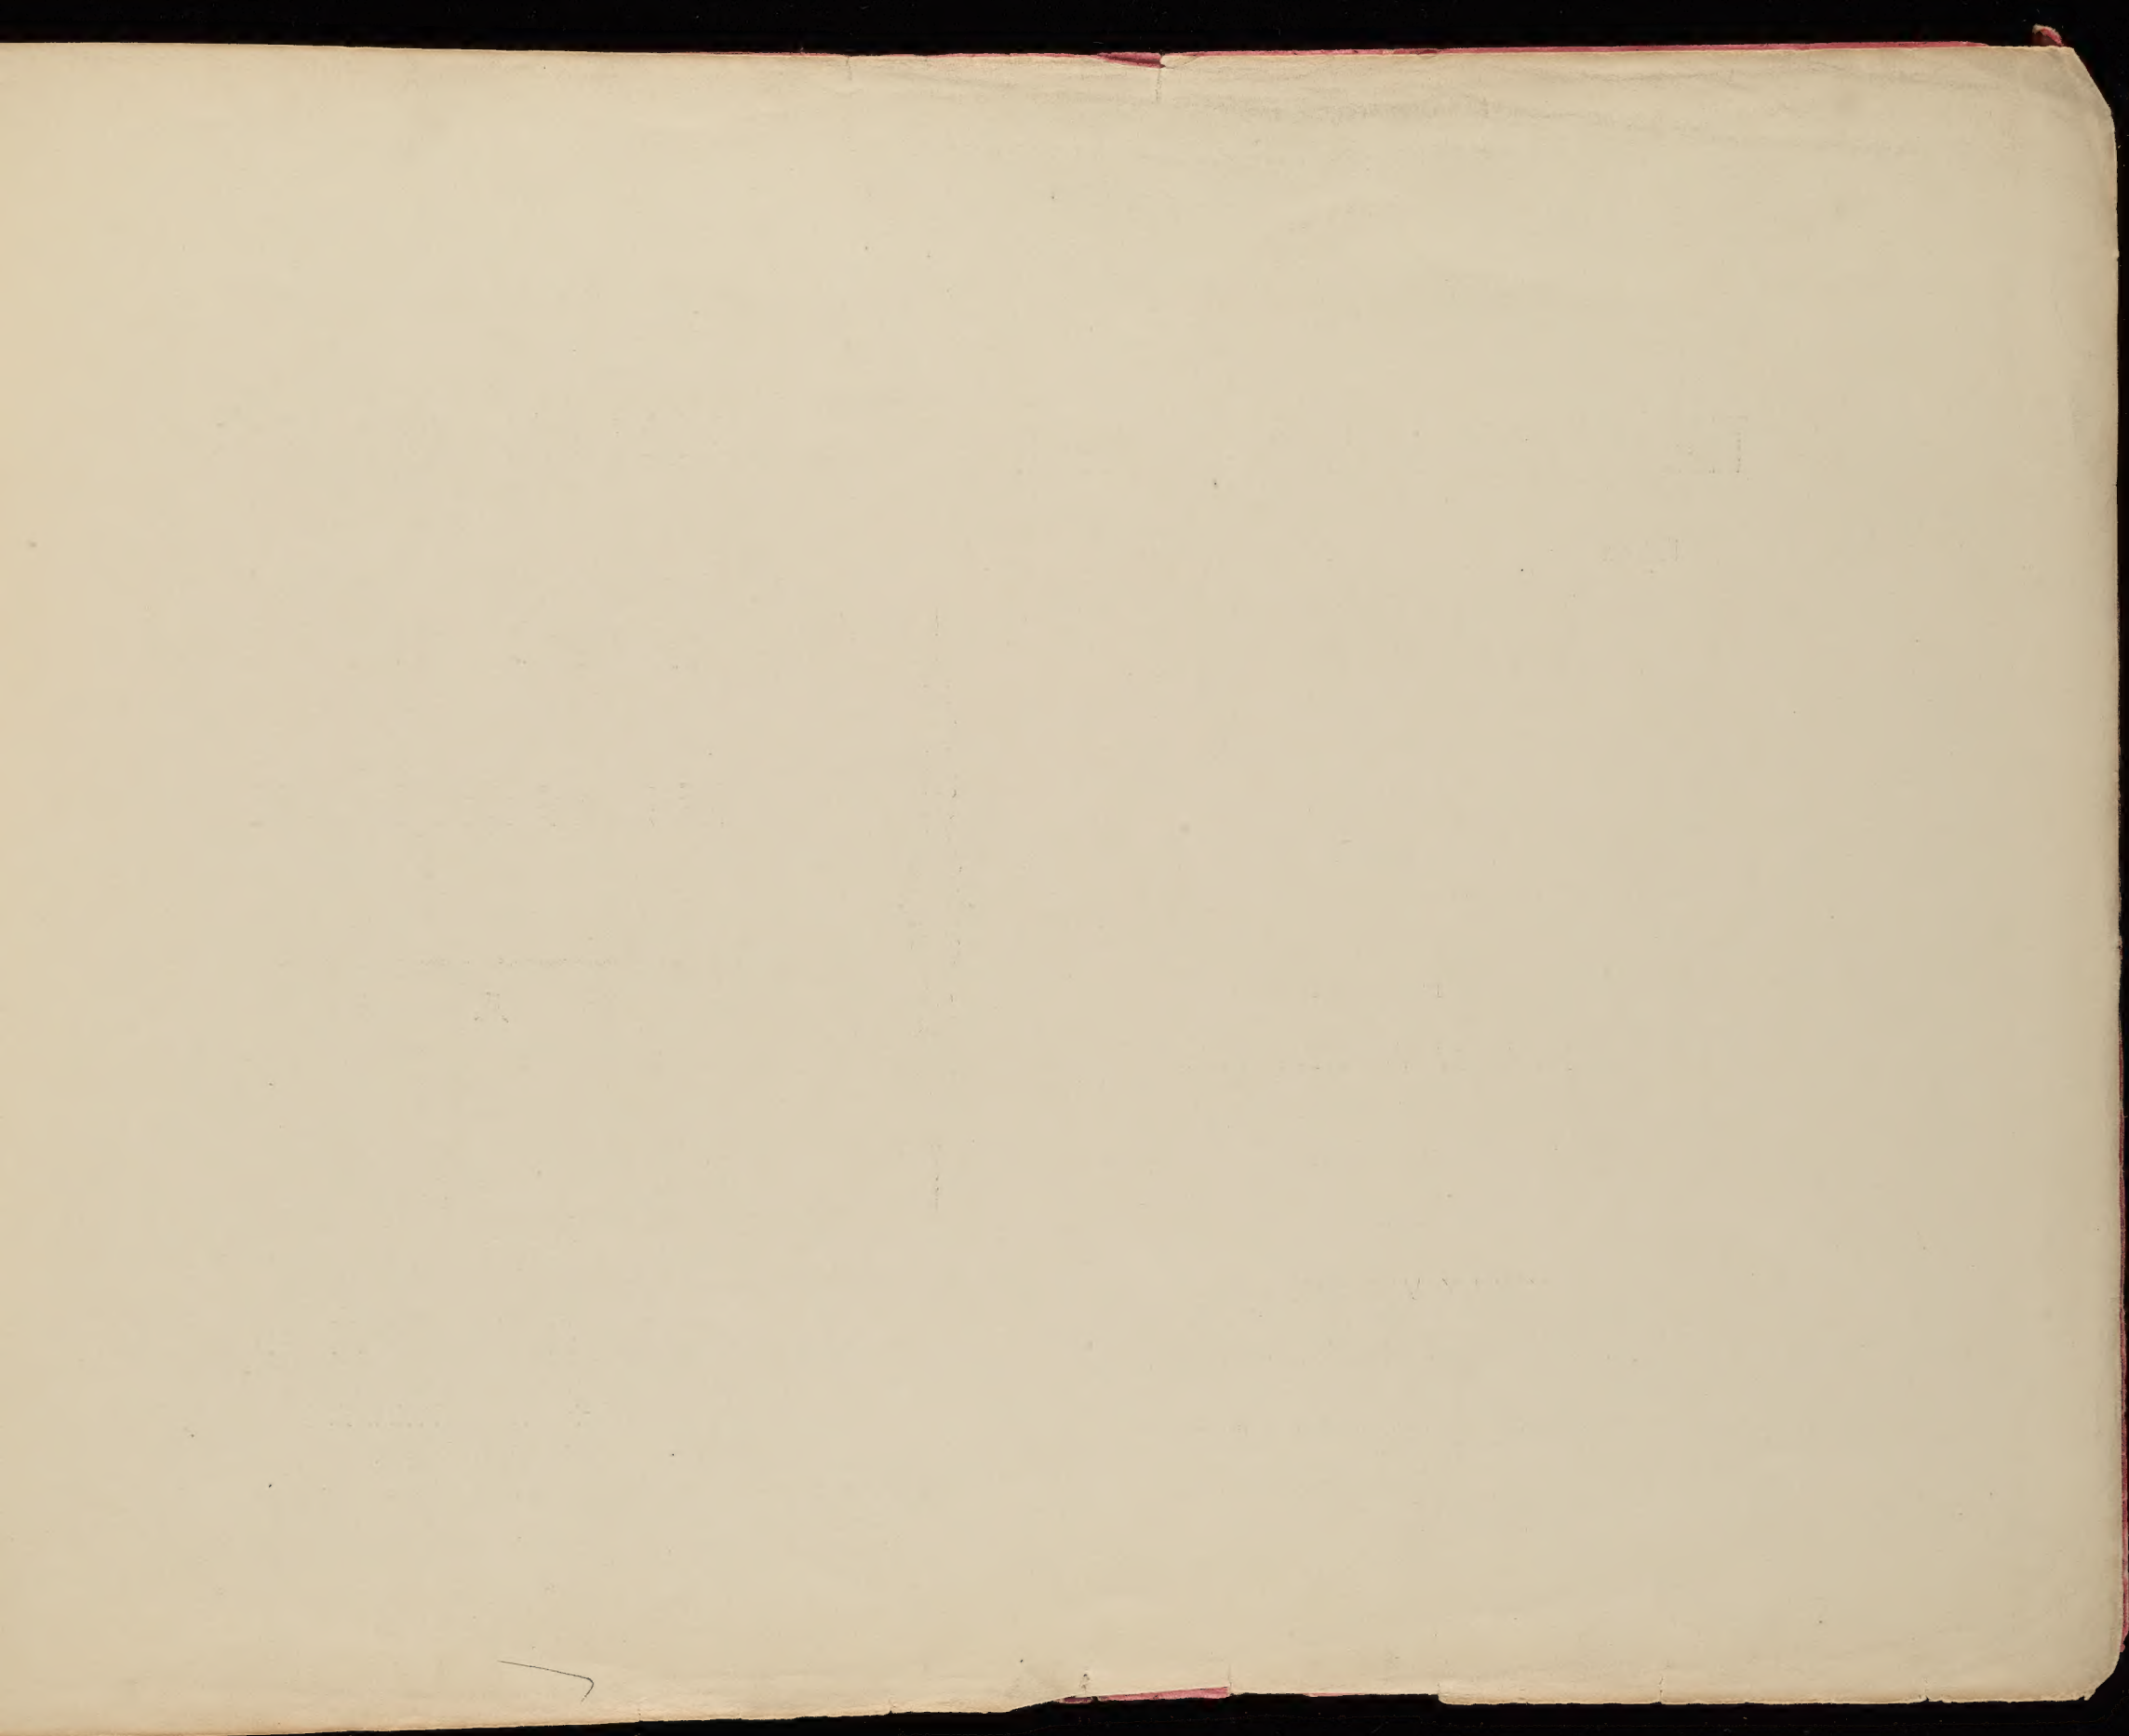

Third Army. No. 2.

28. Lieutenant-General Matsumura, Commander of the First Division, and his staff in front of the encampment half-way up Takasaki Hill.
29. A view of the battle in the direction of the First Division from a hill south-east of Fenghuang Hill.
30. Japanese cannonade of the north-eastern positions of the Port Arthur.
31. Russian shell exploding in the neighbourhood of T'uanshantzu.
32. Cannonade of the Japanese Foot Artillery from Wangchiatien.
33. Japanese Field Hospital at Wangchiatien.
34. Imperial Messengers inspecting the permanent hospital at Tunglungt'ow.
35. Cartridge cases used by the Heavy Artillery of the Naval Brigade.
36. A light railway at Tunglungt'ow.
37. A view from Takushan of East Kikwan Hill and neighbourhood.
38. Encampment of the Eleventh Division Headquarters at the north-east foot of Takushan.
39. Stalls for the Japanese artillery horses at Takushan.
40. Preparations for action of the Japanese mortars on a low ground north-east of Takushan.
41. Part of the position of the Second Foot Artillery Regiment in a hollow about 1000 metres north-east as Chüchiatun.
42. Sapping being carried on against the East Kikwan Hill Forts. No. 1.
43. Sapping being carried on against the East Kikwan Hill Forts. No. 2.
44. Stalls for the horses of the Eleventh Field Artillery Regiment at the north foot of Takushan and a part of the encampment of the same regiment.
45. Position of the Eighth Battery of the Second Foot Artillery Regiment in a hollow about 1000 metres east of Chüchiatun.
46. Transportation of 28-centimetre howitzers to the Siege Artillery Park at the east foot of Kantasaan.
47. Transportation of the gun-carriages for 28-centimetre howitzers to the Siege Artillery Park at the east foot of Kantashan.
48. The railway station at Hsuchiatus which was set on fire by the Russians and a part of the encampment of the Ninth Field Artillery Regiment.
49. Explosion of a Russian shell in the East Fort of P'anlung Hill.
50. The Surgery of a Field Hospital at Hanchiatun.
51. A Field Hospital near Chanlingtzu Railway Station.
52. Captured shells collected in a valley south-west of Ch'uchiatus.
53. Japanese and foreign guests being entertained in a tent set up behind the headquarters of the Third Army.
